Sermon Notes

Ash Wednesday is the name given to the first day of the season of Lent, where a Pastor or laymen applies ashes to the foreheads of Christians to signify an inner repentance.

The ashes are normally applied to the forehead in the shape of the cross, while these words are spoken from Genesis 3:19: "For dust you are and to dust you shall return." These words from Genesis reminds us of Adam and Eve's willful choice to rebel against God and chose sin. These words indicated to our first parents the bitterest fruit of their sin, namely death.

In the context of receiving a cross with ashes on Ash Wednesday, we are reminded that all mankind is sinful, and will taste death and return to ashes.

However, the cross reminds each penitent sinner of the good news that through Jesus Christ crucified there is forgiveness for all sins, all guilt, and all punishment.
